## **5. Measurement and Weigh-Ins**

- 5.1. Sailors will weigh-in during registration in normal sailing attire. The minimum combined crew weight is 300 pounds for women's teams and 200 pounds for teams competing solely for the Junior Championship. Any junior women's team wishing to compete for both championships must meet the 300 pound minimum weight.
- 5.2. Crews weighing less than minimum must carry corrector weights.
- 5.3. The race committee will post required corrector weights for each boat on the official notice board prior to the competitors meeting.
- 5.4. The race committee may inspect any boat's ballast, sails or equipment at any time.
- 5.5. All boats must have a measurement certificate. Fleet 78 may be able to measure boats by appointment on Friday. Please contact Trevor at [ahssailingcoach@gmail.com](mailto:ahssailingcoach@gmail.com) to coordinate.

## **6. Sailing Instructions, Courses, and Venue**

- 6.1. The race committee will provide sailing instructions at registration.
- 6.2. The races will be windward-leeward courses on Fidalgo Bay. The sailing instructions will include a course diagram.

## **7. Scoring**

- 7.1. The race committee will score the series in accordance with RRS Appendix A. One race will constitute a series. If the regatta ends with fewer than six races sailed, each boat's series score will be the total of all her race scores. This changes RRS A2.
- 7.2. All boats will race simultaneously with common scoring. At the end of the regatta, the best scoring Junior and Women's teams will receive awards.
- 7.3. To expedite the start of subsequent races, the race committee may assign finish positions to laggard boats and direct them to proceed to the starting area. This changes RRS 35.

## **8. Support, Coach, and Spectator Boats**

- 8.1. Support, coach, or spectator boats are welcome. Those boats must remain well clear of competitors while racing and register with the race committee.
- 8.2. The race committee may offer assistance to boats during or between racing. During racing, that help will be limited to facilitating safety and consistent with RRS 41.
