- **Masks MUST be worn inside the building except when you are seated and eating/drinking**
- **Don't congregate in groups near the bar**
- **Practice social distancing**
- **Move to uncrowded areas and be seated after being served, before unmasking.**
- **Use hand sanitizer or wash your hands regularly**
- **If you have any cold, flu, or Covid-19 symptoms or have recently been around anyone who is ill, please go home and come back on a later date.**
